BRYAN, TEXAS, JUNE 28, 1909

THIS DATE IN HISTORY.

June 28.

1776—The "Moultrie" Flag was unfurled on Fort Moultrie, at Charleston, S. C.

1809—Horn-blowing in the streets of Boston was prohibited by law.

1826—James Madison, fourth President of the U. S., died at Montpelier, Va. Born in Port Conway, Va., March 16, 1751.

1838—Coronation of Queen Victoria.

1864—The Confederates in command of Gen. Early moved up the Shenandoah valley.

1889—Maria Mitchell, noted astronomer, died in Lynn, Mass. Born at Nantucket, Aug. 1, 1818.

1892—The battleship Texas was launched at Newport News.

1895—Five firemen lost their lives at a fire in Minneapolis.

Senator Bailey's idea of a good democrat seems to be one who votes with the republicans and splits on the democratic platform.

There are no doubt, a good many people in Houston who are deceitful and desperately wicked, but the salt has not lost its savor so long as it maintains the Star of Hope mission and similar institutions.

The marriageable women among the suffragettes are signing pledges not to marry any man until he obligates himself to vote and work for "the cause." Any man who would marry that kind of a woman deserves all he will get, and that will be a plenty.

This tariff question is such a jargon of hair-splitting schedules and infinitesimal per cent, of differentials and countervailing duties, of drawbacks and rebates, that when anybody mentions something that we ordinary people think we know something about we breathe a sigh of relief. But even then we may be mistaken. For instance we thought that all hides were hides, but now we are gravely told that anything weighing less than 25 pounds is not a hide but a skin.

LUXURIANT HAIR.

Women With Plain Faces Should Study the Hair.

Any woman can have beautiful and luxuriant hair by using Parisian Sage, the most efficient hair tonic and dandruff cure.

Parisian Sage is the favorite hair dressing of refined people, and since its introduction into America it has met with wonderful success.

If you want beautiful and lustrous hair that will be the envy of your friends, go to the drug store of E. J. Jenkins and get a bottle of Parisian Sage today and use it for a week.

If at the end of a week you are not satisfied that Parisian Sage is the most delightful and refreshing hair invigorator you have ever used, take it back and get your money.

Parisian Sage now has an immense sale all over America because it is guaranteed to stop falling hair, itching scalp and splitting hair, or money back.

It is without question of a doubt the only preparation that penetrates into the hair bulbs and kills the dandruff germs in a week.

Parisian Sage will not grow hair on bald heads, but it will prevent baldness by strengthening and nourishing the hair roots.

Fifty cents the largest bottle for the money, and bear in mind the girl with Auburn hair is on every package.

It is the real tonic for children's hair because it strengthens the hair roots.

Lending druggists in every town sell Parisian Sage.

BLOCKADED.

Every Household in Bryan Should Know How to Resist It.

The back aches because the kidneys are blocked.

Help the kidneys with their work.

The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from this vicinity.

H. R. Overhall, Franklin, Texas, says: "I was subject to attacks of kidney complaint for several years, irregular passages of the kidney secretions being the worst feature. Hearing of Doan's Kidney Pills, I procured a box and after taking a few doses, I noticed an improvement. Before long I was cured and since then I have not been obliged to take any kidney remedy. I have great confidence in Doan's Kidney Pills."

For sale by all dealers. Price 50c.

Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
